Re: Jewett White Lead Site, Staten Island, New York

Dear Mr. Doroski:

Attached, as outlined below, is some additional background information and analytical results to supplement what you already have for the Jewett White Lead Site located at 2000 Richmond Terrace, Staten Island, New York.

- 1) original request to EPA with attached background info
- 2) Phase 1 Site Assessment conducted by previous owner
- 3) Site Investigation Report conducted by property owner
- 4) EPA analytical data and reports from December 2008 sampling event
- 5) historical and background information

Sincerely,

Nick Magriples, On-Scene Coordinator
U.S. Environmental Protection Agency
Removal Action Branch
